Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

Pursuant to the Office Action mailed February 17, 2000, for which a one month extension to respond has been requested herewith, kindly enter the below amendment.

Please cancel claims 1-21 and add new claims 22-26.

22. (New) A method of transmitting data in a database concerning a first party to a second party comprising:

- extracting the information from the database;
- combining the data with similar data from a plurality of other first parties;
- anonymizing all of the data into anonymous data; and
- transmitting the anonymous data to the second party.

23. (New) The method of claim 22 wherein the anonymizing is performed with respect to a plurality of first parties' credit card numbers.

Ad. 24. (New) The method of claim 22 wherein the anonymizing is performed with respect to a plurality of first parties' identification data.

25. (New) A method of purchasing goods and services across the Internet from a plurality of merchants at one time comprising:

providing a customer with an alias;

providing the customer with an electronic shopping cart;

receiving one or more orders into the electronic shopping cart from the customer;

receiving the ordered goods and services from the plurality of merchants; and

facilitating payment of those goods and services.

26. (New) The method of claim 25 wherein the payment of those goods and services spans a plurality of consumers.

DRAWINGS

Applicant does not believe corrected drawings are required in response to the outstanding Office Action. The examiner has not made any specific objections to the drawings but has instead noted informalities cited by the Official Draftsperson in the
